The logo for Miss Dig 811 features the words "MISS DIG" in a bold, yellow, sans-serif font with a black outline. Below this, the number "811" is displayed in a larger, bold, yellow font with a black outline. Underneath the number is a stylized graphic of a shovel with a silver blade and a green handle, also with a black outline. A small registered trademark symbol (®) is located to the right of the shovel graphic.
