- Quiet Area

Service animals are permitted in all public areas of the Zoo except the Matilda R. Wilson Free-Flight Aviary, Butterfly Garden, Red Panda Forest Canopy Walkway and Australian Outback Adventure due to the free-ranging animals.

We are a non-smoking and non-vaping Zoo.

Occasionally, a building or habitat may be closed to the public due to animal health needs, maintenance repairs or special events. Sometimes the animals rest in shade or secluded areas and may not be immediately visible in their habitats. Schedules and fees are subject to change without notice. Refunds and rain checks are not available.

Did you know you can rent the Zoo?
For information on rentals, weddings, corporate or private events, group picnics and birthday parties, call (248) 336-5805.
